“Abduction” (XXI); “Catch!” (XXI)

### **Julia ‘Myaah’ B**

“Twilight bronze” (XXI)

Three months after the decisive mating flight that won T'kamen and bronze Epherineth the Weyrleadership, the queen Shimpath has a clutch on the sands - including a precious golden egg. But what should be cause for celebration is only another burden on a new Weyrleader struggling to make his mark on a Weyr in turmoil, and when a rider dies in suspicious circumstances T'kamen realises he has a killer on his hands.

In the dark days that follow, T'kamen will be stretched to his physical, mental, and emotional limits. Friendships will be strained, loyalties put to the test.

And more will die....
